Asian Institute of Technology

## What Drives the Future?

The Asian Institute of Technology's (AIT) signature event, **100 Innovations X Entrepreneurs [100X]**, Southeast Asia's premium Research-to-Commercial event is back on 24-26 March 2021. This time, in Hybrid (powered by Eventsphere), for seamless physical and virtual experience, reaching out to a wider audience from different parts of the world.

This year's theme What Drives the Future? re-emphasizes the importance of going back to basics, by re-focusing on the basic human needs (Food, Wellbeing, Living, Education, Communication) in the context of the United Nations Sustainable Development Goals to build back better and safeguard our future together.
